**PETITION UNDER 37 CFR 1.181(a) TO WITHDRAW
HOLDING OF ABANDONMENT BASED ON FAILURE
TO RECEIVE OFFICE COMMUNICATION**

Sir:

This Petition is submitted in response to a Notice of Abandonment that was mailed on June 15, 2005. A copy of the Notice is attached as Exhibit A. According to the Notice, U.S. Patent Application No. 09/393,942 was abandoned for failure to timely pay the required issue fee and publication fee, if applicable, within the statutory period of three months from the mailing date of the Notice of Allowance. At this time, I personally had not received a Notice of

Allowance in this Application, nor did I have any personal knowledge to the effect that any persons in the office received the Notice of Allowance.

In response to this Notice, I searched the contents of the file jacket for this application. No copy or reference to the Notice of Allowance was found. A copy of the front page of the file jacket is attached as Exhibit B).

I also performed a search on our computerized docketing system to determine if any such Office letter or required response was noted (copy of computerized docket record for docket number PHA 23-773 is attached as Exhibit C). I discovered no notation indicating that such Notice of Allowance was noted as received or due for this Application.

A diligent and sincere effort was made to clearly set out the facts and circumstances surrounding this matter. It is firmly believed that a sufficient showing is made for an immediate allowance of this Petition. It is respectfully requested that a Notice of Allowance be remailed and a period for response restarted.

It is believed that no fee is due with this Petition. The Commissioner, however, is authorized to charge any fees, if applicable, associated with this application to Deposit Account No. 14-1270.

Respectfully submitted,

By
